MEMORANDUM FOR: Director of Personnel Policy, Planning,
and Management

FROM : Deputy Director of Central Intelligence

SUBJECT : Your Advance Work Plan Status Report

REFERENCE : Your Memorandum, Same Subject, dated 29 February 1980

1. Thank you for your referenced status report on your progress in meeting your FY 1980 Advance Work Plan goals. This has been an extremely busy period for OPPPM, and you have made good headway in a number of areas. I would have liked to move out a bit faster in implementing the NAPA recommendations but am pleased that a number of significant changes are about to get under way. Your work on modeling techniques, the executive development program proposal, and recruitment processing all look promising. I will be interested to see how well the changes in recruitment processing match the projected results. Significant progress has been made in the SIS area, but the difficult task of establishing the performance award and rank stipend program remains.

2. Your initial Goals Meeting was a helpful session that should be an appropriate forum for your next AWP update.

3. I have forwarded your progress report to the DCI for his information.
